

## **TRIARC Systems Limited Lifetime Firearms Warranty**

TRIARC Systems warrants that the enclosed firearm or TRIARC Systems product was originally manufactured free of defects in material, workmanship and mechanical function. TRIARC Systems agrees to correct any defect in the firearm by repair, adjustment or replacement, at TRIARC Systems' option, with the same or comparable quality components.

This limited warranty is null and void if the firearm is damaged through failure to provide reasonable and necessary maintenance as described in the manual accompanying the firearm, damaged (by accident or otherwise), fired with improper ammunition, fired with an obstruction in the barrel, or if unauthorized repair or any alteration, including that of a cosmetic nature, has been performed on the firearm. This limited warranty does not apply to normal wear and tear of any parts.

Subject to the foregoing, this limited warranty confers the right to have the covered firearm or its parts repaired, adjusted or replaced. No implied warranties of any kind are made herein and this warranty does not apply to any accessory items attached or appurtenant to the firearm. In no event shall TRIARC Systems be liable for any incidental or consequential damages arising from or in connection with this limited warranty.
